2. Are you experiencing, or have you experienced any of the following symptoms in the past 14 days: fever, cough, muscle aches, difficulty breathing, fatigue, sore throat, runny nose? Yes No

3. Have you been in contact with anyone who is or has experienced any of the following symptoms in the past 14 days: fever, cough, muscle aches, difficulty breathing, fatigue, sore throat, runny nose? Yes No

I understand the following actions are necessary to prevent the spread of COVID-19:

- Physical distancing in public.
- Washing my hands often with soap and water for at least 15 seconds - If soap and water are not available, using an alcohol-based hand sanitizer.
- Not touching my eyes, nose, and mouth with unwashed hands.
- Avoiding close contact with people who are ill.
- Staying home when I am ill.
- Covering my cough/sneeze with a tissue, then immediately throwing the tissue in the garbage and washing my hands - If I don't have a tissue, sneezing or coughing into my sleeve or arm.

I understand that I am at increased risk for hospitalization and/or death if I am 65 years and older, have an underlying medical condition, and/or are immunocompromised. Yes No
